This, how- said to have offered rewards as high as ever, we will say, that Szymouz and \$10,000 for the destruction of the arms, s mandamus was received from the Court BLAIR have lost nothing with the peo- design and execution, was, as above staple of the South because of our want of ted, the work of Memphis Radicals, of the complete success at the late elections, SMTTH-wing, as the Bulletin says "they which the Court is engaged in hearing. and that unless by their own consent are ready for anything." they are yet the choice of our people for President and Vice-President of the United States.

VALLEY. Mississippi Valley is beginning to attract In the course of his speech, which is an the attention of the capitalists of the admirable disboration of the sentiment East. Editors, statisticians and others of his letter, published in last SUNDAY'S interested in noting the progress of the APPEAL, we find this paragraph, which people and the rapid development of this | we heartily endorse and recommend to portion of the country, are instituting the consideration of our readers. It ofcontracts that must in the end go for to- fers in every word the soundest, most ward achieving for us the Congressional sensible and most opportune advice. aid to which we are entitled, and the member it. emigration that rapid intercommunication and the construction of gigantic public works will compel. In the Atlantic Almanac for 1869, just published. we find an article on this section worthy the attention of our readers, and which we synopsise for their benefit.

The Indian wars and the Revolution carried the limits of the far West to the Ohio: then to the Mississippi ; afterward to the Missouri, when the Mexican war and the discovery of gold in California removed that mystic boundary to the limits of the continent on the Pacific Coast. Hence the States of the great Valley, in future geographical divisions of the United States, will be classed as forming the "Middle States." Treating of this "sion in the Democratic party, or by great "Middle Division," the Almanac sets forth that "the Atlantic scaboard of the United States extends about \$500 nriles, and the Mississippi and its tributaries open up an inland navigation of "tablishment upon safe and lasting" taries open up an initial angular of the temple of constitution, forever abolishing flavery now floating an amount of commerce three times as great in value as the whole three times as great in value as the whole foreign commerce of the country. In "upon this as a pole star to steer your" upon this as a pole star to steer your" the ratification of the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country. In "upon this as a pole star to steer your" the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country. In "upon this as a pole star to steer your" the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country in the property of the country in the property of the country in the constitution of the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country in the constitution of the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country in the constitution of the amendment of the Constitution, forever abolishing flavery and lavoluntary servitude, except for the country in the constitution of the amendment of the constitution of the amendment of the constitution of the constitution of the constitution of the amendment of the constitution of the constitution of the const was looked upon as our most important "to the blandishments of this tempta-" the colored race among them, and will interest. It is now dwarfed by the trans- "tion of immediate relief on the one" portation and handling of domestic pro- "thand, or that seduction of gratified "circult to the constitution of the colored race among them, and will protect them to the full extent of their power, in the right of the suffrage section of domestic markets. To 1860, the "protect them by the Constitution of the circult to them by the Constitution of the circult to them by the Constitution of the circult to them by the Constitution of the circle to the pertation and naming of comestic product of the United States was g1,900,000,000. Its exports were less than one-fifth of this amount, leaving fourments to be exchanged between the States.

A miserable, contemptible trick of the enemy, a wretched subterfuge, to be telelion," we hope our friends-the friends Amid so much from equally reliable of law and order-throughout the Union, calumny and libel upon our people, by

we do not doubt that this whole affair, in

JOHN QUINCY ADAMS.

This gentleman, at present Demo eratic candidate for Governor in Massachusetts, by invitation of the Central THE COMMERCE OF THE MISSISSIPPI Democratic Committee, addressed the people of South Carolina, at the Capital The vast interests and commerce of the of that State, on Monday evening last.

> "A great, majority of all the North coly wait to be sure it is safe to take" you cordially by the hand once more. Bide, then, your time in either event. *Possess your souls in patience. Call ' "to your aid that grandest of human" qualities, self-control, and all will be well. The nation has had too much' of violence and headlong haste. You, 'in particular, have had a terrible warning against heat and passion. Keep cool, and watch your chance, come whence it will. Ahove all things, do nothing to render it mora! difficult than it now is for either "party to return to the constitutional system. If you favor haste and pas-

impatience strengthen the hands of the extreme men in the Republican " party, you equally retard the coming? of your only sure salvation-a re-es-

MORE PIGURES PROU THE BUREAU OF STATISTICS.

The rates of taxation in the United States in the years 1860 and 1868 will be righ commerce.

The Mississippi drains 1,785,000 square given in an interesting table, now in has been injured by the aspersions cast State tax, \$75,000,000, and the county, 600-making a total of \$851,000,000, or \$23 for each person in the United States.

THE "SENIOR EDITOR" ON MER PHIS. A late number of the Knoxville Whig

outning the following : "The New York Times, a Republican paper, mays that "within the last year the value of pro-enty in Memphis has decreased over \$18, taked, and that there are now over at stores empty on the principal streets of that city." This is a confusion of the rulingua effects of a Rection a reconstructed State administration. results, estimates that in the year 1900 the cereal products of this Valley will amount to more than 3,000,000,000 clical recombined State administration overlow's government of Teaucesee is the circumstances that preceded the terrible estimon brick of the estilice."—Rose the calamity in Equator have been observed

> men of Northern tash from the rights and provileges of the cliy. Our asteneshment is that properly hearon depreciated to a greater ici. This grows out of the policy of the party claiming to be a white man's party and a party of native-born Tennesseans. This prescrip-tive robal spirit is injuring Nashville, Enextile and other large towns in Tennesse, and | troduced. to a curse to all the States of the South. SENIOR EDITOR

We regret that the Press and Herold was deceived into believing and giving publicity to such a statement, but are on the river two and three-fourth cents; not surprised that the "Senior Editor" on the canals two to five cents; and on should give credence, and assign such the railroads from three cents to thirteen reasons for a state of things, which, if it war. and a half cents. Of the amount of did exist to any appreciable extent, grain received at Chicago, seventy-five might easily be traced to the policy he supports as Governor of Tennessee and that city only ten per cent. is sent East his connivance at the theft of the School

Our trade has not declined. On the contrary, it is on the increase. We rehave an interest in reducing the cost of caived last year, at an average of 22 transportation to the lowest possible cents per pound, 250,000 bales of cotton; point, and this can most easily be ef- within 100,000 bales of what we used to fected by impraving the water commet- average in best times before the war, at nications and the construction of through 8 cents per pound. This does not look

s secured, the resources of the vast and that at no time in the history of Memfertile regions even farther West that phis has there been balf that number of the Great Valley will be developed as dwellings and stores together "for rent," surely as time endures, and more rapidly at any one time. On a few of our cross streets, where business, in a small way, had crept during the war, there may now be seen a few miserable patch-work In another part of our paper the reader shantles vacant. But on Main and will find a full and correct account of the Front streets, and on Second, most of the capture of the steamer Hesper by a party stores are occupied at rates that afford a of men, who, so far as we can gather living profit to landlords, and that enfrom current rumors, were employed by able the occupants to save what two
